

REQUEST TO ESTABLISH COST SHARING GRANT | UNRESTRICTED

AS851

- SPA will establish a separate grant for each source of funds provided. All spending should occur on the grant established expressly for that portion of the cost sharing.
- This form must route through Budget & Planning for approval that funds are available and that they can be used to provide cost sharing.
- The function of the source of funds MUST match the function of the award to be used to provide unrestricted cost sharing.
- The time period and amount should be entered for ALL years of the award. This form will serve as approval of the commitment for the life of the award even though the cost sharing may be documented in multiple fiscal years.
- The amount should not contain the portion of the cost sharing commitment considered Paper Entries (i.e., F&A, fringe benefits, tuition remission, subaward cost sharing, etc.).

Approvals

As the Principal Investigator, I will assure that the cost sharing required by the referenced award has been committed and properly documented in the proper award lines/grants. Furthermore, I will inform SPA immediately of any changes affecting cost sharing on this agreement. I understand that the above information will enable SPA to monitor my cost sharing but it is my responsibility to assure that the required cost sharing has been committed and properly documented.
