

School of Renewable Resources  
**GLASGOW TRAVEL GRANT**

Graduate students in Wildlife and/or Fisheries may apply for Glasgow travel grants to present a talk or poster at a professional conference. Grants will cover up to \$1000 of student-incurred trip expenses and may be used to pay for travel, lodging, meals, and registration fees. Preference will be given to students who have not been awarded a Glasgow Travel Grant previously and students who have more than 2 semesters of graduate study (including summer). Application forms may be submitted to: **Dr. Sabrina Taylor at [staylor@lsu.edu](mailto:staylor@lsu.edu)**
